

25th Anniversary Campaign

Since our inception in 1993, the AWS Educational Foundation (AWSEF) has been awarding scholarships. To celebrate this 25th anniversary, we are establishing a 25th Anniversary Campaign. The purpose of this campaign is to celebrate our history while creating awareness about our mission for the future. **Please help the AWSEF raise \$25,000 for our 25 years!** We have secured an anonymous donor to match dollar for dollar up to \$25,000.

The proceeds of this campaign will be dedicated exclusively to the AWSEF's endowment fund. As the endowment grows, it will provide a reliable source of funding for student scholarships ensuring the AWSEF will be around for the next 25 years...and for generations to come!

The AWSEF is dedicated to continuing to aid Master's and PhD students entering the wine industry by providing supplementary financial resources. We invite you to join the campaign and help the students who will be the future of the wine industry that we all know and love.
